

Cork Harlequins Hockey Club has a strict ethos in relation to the transition from Underage hockey to Senior Hockey. We strive to create equal opportunities and fairness for all.

Our Club Policy is as follows:-

When members reach the age of 15, priority must still be to represent their U 16 team. If a member has all ready received an underage Irish cap, they will be individually assessed by the Senior section and after discussion with U16 coach, a decision on their pathway agreed.
